

The 21st Biennial Conference on
Electromagnetic Field Computation

IEEE CEFC 2024

2 - 5 June 2024 | ICC, jeju, Korea

Sponsorship & Exhibition Prospectus

I. Greetings

Dear Colleagues,

Welcome to CEFC 2024, Jeju, Korea!

It is our great pleasure to welcome you to the 21st Biennial IEEE Conference on Electromagnetic Field Computation (IEEE CEFC 2024), which will be held in Jeju, Korea, June 2 – 5, 2024. This conference will be a full face-to-face one, and we hope, by then, Covid19 will be completely forgotten from our minds, and it will be an opportunity to be with our colleagues we haven't met for a long time. The conference will be cosponsored by IEEE Magnetics Society, Korean Institute of Electrical Engineers – Electric Machines and Energy Conversion System Society, and Chungbuk National University.

This IEEE conference focuses on the latest developments in modeling and simulation methodologies for the analysis of electromagnetic fields and wave interactions, with applications emphasis on computer-aided design of low and high frequency devices, components, and systems.

We strongly believe IEEE CEFC 2024 will be a great opportunity for participants to exchange the latest information, ideas, and experiences in computational electromagnetics and related fields. And your contributions of papers and presentations as well as participation will surely make the event even more fruitful. Also, our participants will have the chance to explore the beautiful Jeju Island while joining the social activities we have planned for you.

We would like to offer great opportunities for you to support this conference and showcase your professional services and innovative materials and equipment through sponsoring and exhibiting. We hope you would take advantage of this opportunity to promote your products and services to global attendees of antennas and propagation in IEEE CEFC 2024.

Thank you very much.

Sincerely,

Conference Chairs of CEFC 2024

Prof. Chang-Seop Koh (Chungbuk National University)

Prof. Sang-Yong Jung (Sungkyunkwan University)
